THE REDCLIFFE AERO CLUB

Multi Engine Aeroplane Class Rating

Like the single engine aeroplane (SEA) class rating, the MEA class rating allows the holder to operate a range of piston twin aircraft with a weight not exceeding 5700kg. Training prepares the candidate for the added complexities of MEA handling, systems and asymmetric flight following a failure of one engine. Holders of the MEA class rating can fly aircraft such as: Cessna 310, Vulcanair P68C, Beechcraft Baron 58, Beech Duchess 76.
