

COST SUMMARY

Instructor Rating (with Grade 3 training endorsement)

The Flight Instructor course is easily the most challenging training syllabus on offer. Candidates will develop the highest levels of theoretical knowledge, exemplary flying skills and a strong understanding of training and assessment techniques employed in the aviation training industry. Candidates choose to undertake a Grade 3 Instructor Rating Course because it offers:

- Strong employment opportunities.
- Improved flying skills.
- Greater depth of aviation knowledge and understanding.
- Potential for future check and training positions.
- Clear personal development.
- Job variety and satisfaction.
