Mark Hansen

I completed my Diploma of Aviation - Commercial Pilot with The Redcliffe Aero Club in 2019. The training they provided both in the air and on the ground by the professional team of instructors helped me gain the skills and knowledge to pursue my career in aviation. Shortly after completing my course, I was able to secure my first job as a Line Charter Pilot. A comment I received during the application process, was that the operators were pleased to see that I had done my training at a reputable training organisation on industry standard aircraft.
